A Message from the Path Setter

Dear Brothers in the Bond,

We have come to our first point of elevation in this young year and I am very excited about our immediate future. As you may know we are having our Membership Intake Process presently taking place as well as preparation for our Leadership training 2011..."I Become...I AM 2011". This marks our first trip to Windermere Resort in 4 years and I have full faith that the Lord is ready to bless our brotherhood on an indescribable level. We will be crossing our spring flocks, training for the future, as well as fellowshipping with you, our brothers in the ministry.

We have begun making changes to solidify our future as well as grow us to the next place in Christ. At this time I urge you to make plans to join us for this exciting time and allow your own gifts, time and talents to be added to our experience. We have a completely new group that has never been to Windermere joining us this year and I would love to see just as many old familiar faces as new ones. Brothers, lets take this opportunity to really pour into each other and allow ourselves to be fortified in the presence of the Lord. I have began praying for us all in this season that if the Lord chooses to release favor, let all families, ministries and men represented in the Green and White be the benefactors of his glory. I stand in the gap for you as my brother and pray the lord removes ever weight, burden or road block that would prohibit our joining together in UNITY, LEADERSHIP AND INTEGRITY.

May the grace of God Reign in your life and his will live in your heart
Yours in the Bond,
Bro. Theophilus Murphy Jr.

A Message from the Editor

Brothers,

I am happy to bring you the latest news of AOT via this printed platform. However, I can't use this medium to its full potential without your help. If any chapter is planning events, celebrations, parties, probates, etc, please shoot me a message via email with the necessary information. I know a number of things are happening in your respective chapters, and I want to help promote them so that, at the least, we can support through prayer. Also if there is anyone with computer skills (I know some of you all got sills), I am looking for someone or some people to assist me with the monthly newsletters. I have a limited amount of computer knowledge, and my skills only go so far. I need some designers, who are willing and wanting to take the newsletter to another level. Please let me know if you are interested.

'19 Though I am free and belong to no one, I have made myself a slave to everyone, to win as many as possible. 22 To the weak I became weak, to win the weak. I have become all things to all people so that by all possible means I might save some. 23 I do all this for the sake of the gospel, that I may share in its blessings.'

I Become...I Am 2011

After 4 long years, we are finally going back to Windermere Resort in Roach, MO. If you have not been with us to the resort, then you are in for a wonderful treat. The ideal behind the weekend it thins can be easily wrapped up in Ephesians 4:

11And he gave the apostles, the prophets, the evangelists, the shepherds and teachers, 12 to equip the saints for the work of ministry, for building up the body of Christ, 13until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood,[d] to the measure of the stature of the fullness of Christ, 14so that we may no longer be children, tossed to and fro by the waves and carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes.

We will have a number of seminars over topics that are essential to this fraternity and to living a godly lifestyle. I hope all of you can join us!! Here is a detailed itinerary of what the week end will look like

Dues

The Third installment of your dues is due this month. Please see National Path Sustainer Evan Marbury with any questions or concerns.

Keepin It Real 101

Lead by the brothas of the Devastating Delta chapter. Keeping it real is a place to discuss "real" issues that we all face in our day to day lives. Last time they discussed sexual purity, and it was blessed. Tell your friends and your neighbors if you are in KC to come and share in what God is saying and doing at these discussion forums. Please see Wesley Forte for more information.

AΩΩ "From the beginning until the end, God will always be there for us!"
